ROAD TO 25

EST. 2002

25 Years. A Landmark of Trust.
The Horizon Is Further.

ROAD TO 25

Reflecting on a Journey of Excellence: Horizon Properties Limited's 25-Year Legacy

The journey that began in 2002 from Limson Chambers along Freedom Way in Lusaka, through Chester House on Cairo Road, to Katondo Street behind Lusaka Hotel, and onward to Kabulonga Shopping Centre, has been one of remarkable resilience and growth. It has not been an easy road, but it has been a profoundly rewarding one.

As we approach our 25th year of existence, the lessons learned along the way have proven invaluable. They have shaped not only the legacy of real estate services that Horizon Properties will pass on to future generations of leadership in Zambia, but also the character of our organisation.

ROAD TO 25

As one of the founders and the Chief Executive Officer of Horizon Properties Limited, I take immense pride in what we have built together. Next year, we will celebrate 25 years in the making a milestone that speaks to our enduring commitment to excellence, integrity, and service.

As we begin preparations for this momentous occasion, I am honoured to share this brief message with the public. It reflects our gratitude, our journey, and our vision for the future.
